75-01. Definitions. In this chapter:

1. **COMMISSIONER** means the commissioner of health, his or her designated representative within the health department, or any other city official to whom the commissioner's functions or duties under this chapter have been delegated pursuant to a memorandum of understanding.

2. **DEPARTMENT** means the health department or any department to which health department functions or duties under this chapter have been delegated pursuant to a memorandum of understanding.

75-1. Self-service Laundries; Hours.

1. **DEFINITIONS.** The following definitions shall apply in the interpretations and enforcement of this chapter:

a. "Attended" as used in relation to self-service laundries shall mean that either the applicant, or his employees, or other designated responsible persons are present in the establishment during all hours it is open to the public.

c. "Self-service laundry" shall mean, unless specifically stated otherwise, to include all establishments or parts thereof used by the general public for the purpose of washing or drying clothing or other fabrics.

d. "Unattended" as used in relation to self-service laundries means all those that are not attended.

2. **REGISTRATION REQUIRED.** It shall be unlawful for any person to establish, maintain or operate a self-service laundry at a specific location in the city without a current and valid registration issued by the commissioner. Said registration shall be applied for on forms provided by the department. Upon full and accurate completion of the application, the commissioner shall issue a registration certificate setting forth the name of the business, the specific location and the period of validity of said registration. Such certificate must be posted in the public portion of the self-service laundry for which it is granted in a safe and secure manner so that it can be readily observed. It shall be the duty of the applicant to contact, within 30 days, the commissioner to correct the information on record if any information provided by the applicant on the original application form changes during the registration year.

3. **TRANSFER OF REGISTRATION.** No registration may be transferred from one applicant to another, however a registration may be transferred from one location to another upon application to and subsequent approval by the commissioner.

4. **RESPONSIBILITY.** The person to whom the registration certificate is granted shall be responsible for the premises and for the acts of attendants or employees on the premises of said applicant with respect to this section.

5. **EXCEPTION.** This section shall not apply to self-service laundries in residential buildings the facilities of which are intended for use by the residential occupants of that building, except that it shall apply to store units occupied in part for residential purposes.

6. **REGISTRATION FEE.** See s. 60-53 for the required registration certificate fee.

7. **SAFETY AND SANITARY REGULATIONS.** a. Washers and dryers shall be so constructed that they will cease to function

75-5 Miscellaneous Health Provisions

when the door is open, with the exception of the fill and agitate cycles in top load washers. Washers and dryers shall be installed under the provisions of the national electric code except where it is specifically provided otherwise by the city. Provision shall also be made so that in case of a blower motor or gas control failure, the dryer must shut off automatically.

b. All dryers shall be so constructed so as to be capable of having their doors open from the interior thereof upon the application of outward pressure against such doors.

c. Boilers shall be provided with a low water cut-off device to protect the boiler from burning out should a low water condition occur.

d. The platform for washers shall be so designed that any water spilling out shall be properly drained. The floor of the establishment shall be sufficiently and properly covered with a nonabsorbent paint or cement or other impervious material. Areas such as basements, offices and storage places shall have locked doors.

e. Store layout, design and lighting for the installations constructed after January 1, 1976 shall be so planned as to provide visibility of the interior of the unattended store from the street or sidewalk. Heating, ventilating and lighting shall be provided as required by the building and zoning code. If the store has a rear entrance from a parking area, an outside floodlight shall be so provided to satisfactorily illuminate the area leading to the rear of the store.

f. The premises and its facilities shall be kept reasonably clean and sanitary. Refuse disposal cans in unattended stores shall be provided and so designed that the covers shall be self-closing.

g. An approved fire extinguisher shall be installed in all unattended establishments when so ordered by the commissioner of neighborhood services.

h. Soft drink vending machines in unattended stores shall be of the type which dispenses from the machine directly in or into non-glass containers and be properly licensed under the provisions of the code. Licensed vending machines in the premises on January 1, 1976 and not of the types specified shall be exempt from this provision as long as they are in good working condition and until they are replaced.

i. Posting of information regarding the coin-operated machines shall comply with the applicable provisions of s. 82-19.

j. It shall be unlawful for any person to misuse the equipment or facilities provided for public use in a self-service laundry.

k. Only persons who are utilizing a self-service laundry for its intended purpose, or attendants or repair persons are authorized on the premises. It shall be unlawful for any other person to loiter on the premises.

L. No self-service laundry shall be permitted to remain open between the hours of 10 p.m. and 6 a.m. unless an adult person is upon and in charge of the premises at all times.

8. NUISANCE. Every public self-service laundry which is not maintained and conducted as hereinbefore provided is declared a public nuisance which shall be abated in the same manner as every other nuisance.

9. PENALTY. Any person, persons, firm or corporation who shall violate this section relating to the regulation of self-service laundries shall upon conviction thereof be fined not less than \$25, plus the costs of prosecution, and not more than \$200, plus the costs of prosecution, and in default of payment thereof, shall be imprisoned in the house of correction, Milwaukee county, for a period not exceeding 30 days.

75-5. Bed and Breakfast Establishments.

1. PERMIT REQUIRED. No person may operate any bed and breakfast establishment without first having obtained a permit from the department.

2. APPLICATION. When all applicable provisions of this section have been complied with by the applicant and an occupancy certificate has been issued by the department of city development, the commissioner shall issue a permit to operate a bed and breakfast establishment upon the payment of the fees required in s. 60-13.

3. TRANSFERABILITY. Permits shall not be transferable from one person to another or from one premises to another.

4. REGULATIONS. a. Adoption of State Code. The city of Milwaukee adopts ss. HSS 197.03(2), (3) and (5) to (8), 197.04 to 197.08, 197.09(2) to (6), 197.10 and 197.11(1), Wis. Adm. Code, as amended.

Miscellaneous Health Provisions 75-15

b. Ice Handling. If ice is provided for persons provided accommodations, it shall be handled, transported, stored and dispensed in such a manner as to be protected against contamination.

c. Toilet and Bathing Facilities. Toilets, showers or baths serving more than one guest room shall be accessible through the room in which the guest is staying or through a public access way without having to enter through rooms occupied by other persons. All toilet, shower or bathroom doors shall be provided with locks and provide total privacy to an occupant of such room.

d. Guest Rooms. Guest room doors shall be equipped with locks for which guests will be provided keys. Where more than one guest room exists, doors shall be clearly numbered or otherwise identified.

e. Furnishings. Clean bed linen in good repair shall be provided for guests who are provided accommodations, and shall be changed between guests and as often as necessary.

f. Animals. Live pets shall not be allowed in any room or area in which food is prepared, stored or served.

g. Unvented Furnaces and Space Heaters. The use of unvented furnaces and space heaters fueled by natural gas, kerosene, alcohol or other fuel is prohibited.

5. NOTICES OF VIOLATION. If upon inspection the commissioner finds that any establishment is conducted or managed in violation of this section, or the laws of the state of Wisconsin, the commissioner shall serve a written order upon the permit holder, agent or employe in charge of the premises notifying of the violation.

6. SUSPENSION. Notwithstanding the other provisions of this section, whenever the commissioner finds unsanitary or other conditions in the operations of a bed and breakfast establishment, which, in his or her opinion constitute a substantial hazard to the public health, the commissioner may without warning, notice or hearing, issue a written notice to the permit holder, operator or employe in charge of the premises citing such condition, specifying the corrective action to be taken, and the time period within which such action shall be taken. If deemed necessary, the order shall state that the permit is immediately suspended and the bed and breakfast operation shall be immediately discontinued. Any person to whom an order is issued shall comply immediately but, upon written petition to the

commissioner, shall be afforded a hearing within 10 days of the petition. Failure to allow an inspector immediate access to the premises to determine whether such grounds exist shall be grounds for suspension.

7. REVOCATION. For flagrant or repeated violations of this section, or for interference with the commissioner in the performance of his or her duties, the permit may be revoked after an opportunity for hearing has been provided. Prior to such action, the commissioner shall notify the permit holder in writing, stating the reasons for which the permit is subject to revocation, and advising that the permit may be revoked at the end of 5 days following service of notice, unless a request for a hearing is filed with the commissioner, by the permit holder within the 5-day period.

8. HEARINGS. The hearings provided for in this section shall be conducted by the food license review board at a time and place designated by the commissioner. Based upon the record of the hearing, the commissioner shall be charged with enforcing the decisions of the board. A written report of the hearing decision shall be furnished to the permit holder by the commissioner.

9. PENALTY. Any person violating this section shall be subject to a penalty specified under s. 61-11.

75-15. Ambulance Certification Regulations.

1. DEFINITIONS. In this section:

a. "Advance life support system" means any medical condition that in the opinion of a person or an observer and confirmed by an emergency medical technician, indicates that person's life to be in extreme jeopardy.

b. "Ambulance" means a specifically equipped vehicle for transport of the sick or injured.

c. "Ambulance rate" means the base fee for ambulance conveyance which cannot be exceeded by certified ambulance providers on city authorized dispatch.

d. "Basic life support system" means any medical condition that does not constitute an advance life support system emergency, but which requires immediate medical attention.

e. "Board" means the ambulance service board.

75-15-2 Miscellaneous Health Provisions

f. "Central dispatch" means a process that includes the reception and processing of all calls for emergency medical assistance as a single communications center. The fire department is the single communications center.

h. "City-wide emergency medical service system" means a system composed of fire department personnel and equipment, and private sector personnel and equipment for the purpose of providing advance and basic life support conveyances within city limits.

i. "Committee" means the committee designated by the common council as responsible for ambulance service regulations.

j. "Emergency medical services" (EMS) means those services which are required as a result of an unforeseen attack of illness or an injury. These include rescue, ambulance, emergency department, communications and public education services.

k. "Emergency medical technician" (EMT) means a person responsible for the administration of emergency care procedures or proper handling or transporting of the sick or disabled, who has successfully passed a course of EMT instruction sponsored by the Wisconsin Department of Transportation, public health service, or its equivalent (sometimes referred to as "basic" (EMT)).

L. "Fire department" means the city of Milwaukee fire department.

m. "Private sector" means any person, firm, partnership or corporation within the city providing ambulance services on a fee-for-service basis.

n. "Provider" means private sector participating within the city-wide emergency medical services system.

o. "Service area" means a geographically defined area within the city assigned in accordance with sub. 13.

p. "Support status" means a status whereby a certified provider, in lieu of being assigned a service area, receives dispatch calls to which the designated provider within the assigned service area cannot promptly respond. If more than one certified provider is given support status, the common council, upon the advice of the board and the recommendation of the committee, shall determine the manner in which such calls are to be distributed.

2. AMBULANCE SERVICE BOARD.

a. Establishment. An ambulance service board is established consisting of the chair of the public safety committee of the common council, who shall serve as chair, the commissioner of health, the chief of the fire department, the medical director of the Milwaukee County paramedical program, a designee of the Emergency Medical Services committee of the Medical Society of Milwaukee County, a designee of the Wisconsin Health and Hospital Association and a public member representing the interests of citizens who shall be appointed by the mayor and confirmed by the common council. The public member shall be appointed by the mayor within 60 days after commencement of a new common council term or within 60 days after a vacancy in the board position occurs, whichever is later.

b. Duties. b-1. The board shall advise the committee on all matters pertaining to issuance, renewal, suspension, revocation and reinstatement of certificates, and shall, consistent with sub. 13, assist in the development of service plans.

b-2. The board may develop appropriate rules, regulations and procedures as required from time to time for the safe operation of the emergency medical service system, subject to approval by the common council. The board is also authorized to develop, implement and amend as necessary in the sole judgment and discretion of the board a handbook of operations for the system.

3. CERTIFICATION. No person or provider shall within the city act as a city-wide emergency medical service system provider without first having obtained a certificate as provided under this section. This section applies only to providers supplying emergency services on a city-wide dispatched basis.

4. APPLICATION FOR CERTIFICATION AND SERVICE AREA. a. Application for certificates under this section shall be filed with the health department on forms approved by the committee. The board and the committee are authorized to require sufficient information to determine the qualifications of the applicant to engage in the business of providing basic and advance life support system

conveyances. The application signed in proper form shall be presented to the common council, for referral to the committee for its recommendation.

b. Each applicant shall be fingerprinted and shall furnish, together therewith, name, date of birth, address, name and address of employer, a statement as to whether the applicant has been convicted of any crime, misdemeanor or violation of any municipal ordinance other than traffic violations, and any other information required by the license committee, subject to s. 111.335, Wis. Stats. On renewals of previously issued certificates, it shall not be necessary to fingerprint the applicant. If the applicant for a certificate is a partnership, all partners shall sign the application and be fingerprinted. If the applicant for a certificate is a corporation, the president, vice-president, secretary and treasurer shall sign the application and be fingerprinted.

c. Any applicant for initial or renewal certification shall be considered as having made application for the next scheduled service period, as established by sub. 13-b. All applications for initial or renewal certification shall be filed not later than September 30, to be eligible for certification for the next service period.

5. FEES. An applicant filing an initial application for a certificate or an application for renewal shall pay the fee required in ch. 60. If an initial application or application for renewal is denied, no fee paid shall be refunded.

6. INVESTIGATION. Upon receipt of the application, the matter shall be referred to the chief of police, who shall cause an investigation of the applicant's moral character to be made for the protection of the public health, welfare and safety. As part of such investigation, the chief of police shall report to the health department all convictions, other than traffic violations, of the applicant, together with any other information in the possession of the police department as to the business conduct and moral character of the applicant. In addition to such information, the chief of police shall include a recommendation for the allowance or denial of the certificate for which the application is made.

7. HEARING. a. Upon referral of an application for certification from the common council to the committee, the committee shall

schedule a hearing thereon. Prior to such hearing, the committee shall submit the application to the board for its consideration and advice.

b. The applicant shall receive notice of the hearing not less than 10 days prior to the hearing. At the hearing, the applicant may be represented by counsel, present witnesses and cross-examine any adverse witnesses under oath, and receive a transcript of the hearing at the applicant's expense.

c. At the conclusion of such hearing, a recommendation shall be made by the committee to the common council. Any member of the committee who votes to deny an application shall state the basis for the vote on the record.

8. CERTIFICATE ISSUANCE. The health department shall issue to each person qualifying under this section a certificate on which there shall be the person's true first name, surname and middle initial, the number of the certificate, and the period of time for which the certificate is valid. The certificate shall be in such form so to avoid alteration. Such certificate shall be maintained by the provider and shall be exhibited to any person requesting to see the same at any time while the person is engaged in providing services. Furthermore, the health department shall assign to each qualified person a series of numbers which shall be used to identify the provider's ambulances. These numbers shall be placed on the front doors of the ambulances and shall be at least 5 inches high and in a color to contrast with the background on which it is placed.

9. DENIAL OF CERTIFICATE. a. The committee may recommend the denial of any application for certification for any of the following reasons:

a-1. The applicant is not of good character.

a-2. The applicant has violated any of the required or prohibited practices set forth in this section.

a-3. The applicant's previous certificate has been revoked for any reason whatsoever.

a-4. The applicant's inability to substantially understand the required business regulations provided by this section.

a-5. The qualifications of the applicant, when compared with the qualifications of applicants receiving a recommendation of approval, is deficient in any material respect.

75-15-10 Miscellaneous Health Provisions

a-6. The applicant's failure in the past or refusal in the future to act in accordance with this section.

a-7. The applicant's physical location for operations is not within the city of Milwaukee limits.

b. The common council may, upon receipt of the recommendations of the committee for approval or denial of the applications for certification, grant the number of certificates which, in its discretion and its judgment, the public welfare, safety and interest require. Thereafter, a list of those providers granted certification by the common council shall be provided to the board for designation of service area assignments or support status in a manner consistent with sub. 13.

10. INSPECTION. No ambulance shall be granted a permit to operate under the terms of this section until it has been inspected and found to be in a thoroughly safe condition for the transportation of the sick and injured. The inspection shall be made by the Wisconsin department of transportation, division of state patrol, which shall determine that the ambulance complies with all the requirements set forth in s. 146.50, Wis. Stats. Verification of the inspection shall be provided to the board at the annual certification hearing.

11. FINANCIAL RESPONSIBILITY.

a. Surety Bond or Insurance Policy Required. A provider must furnish the city with either:

a-1. A bond with a responsible surety company or association authorized to do business under the laws of the state of Wisconsin in the sum of \$100,000, conditioned that the provider will pay any final judgment rendered against the provider within the limits provided in this subdivision, irrespective of the financial responsibility or any act of omission of the provider for loss or damages that may result to any person or property from the negligent operation or defective condition or construction of the service, or which may arise or result from any violation of any of the provisions of this section or the laws of the state of Wisconsin. The recovery upon such bond shall be limited to \$50,000 for the injury or death of one person and to the extent of \$100,000 for the death or injury of 2 or more persons injured or killed in the same accident and to the extent of \$5,000 for the injury or destruction of property. Such

bond shall be given to the city of Milwaukee and shall inure to the benefit of any and all persons suffering loss or damage either to person or property as herein provided, and suit may be brought in any court of competent jurisdiction upon the bond by any person or corporation suffering any loss or damage as herein provided. Such bond shall be approved by the city attorney as to form and execution. The bond shall be a continual liability notwithstanding any recovery thereon and, if at any time, in the judgment of the mayor, the bond is not sufficient for any cause, the mayor may require the party to whom the license is issued as herein provided to replace the bond with another bond, satisfactory to the mayor, and in default thereof the provider's certificate issued under this section may be revoked.

a-2. A certificate of insurance, issued by a company authorized to do business in the state of Wisconsin, confirming that the provider has been issued a current policy insuring the provider against loss or damage that may result to any person or property from the operation of defective condition of the service, the policy of insurance to be in the limits of \$300,000 for any one person injured or killed, \$500,000 for all persons injured or killed in case of one accident resulting in bodily injury or death of more than one person, and \$100,000 for injury or destruction to the property of others in the case of accident. The policy shall guarantee payment of any final judgment rendered against the provider within the limits provided in this subdivision irrespective of the financial responsibility or any act of omission of the provider. If at any time the policy of insurance is cancelled by the issuing company, or the authority of such issuing company to do business in the state of Wisconsin is revoked, the mayor shall require the party to whom the certificate is issued to replace the policy with another policy satisfactory to the mayor, and in default thereof the provider's certificate issued under this section may be revoked.

b. Cancellation. All bonds and certificates shall be executed by a corporate surety or insurance company licensed to do business in the state of Wisconsin and shall have affixed an affidavit of no interest. All such bonds and certificates shall be approved as to form and execution by the city attorney before they are accepted by the health department,

and shall contain a provision or endorsement by which the bondsmen or insurance carrier shall be required to notify the health department by registered mail or personal service of the cancellation of the bond or insurance policy. Notice of cancellation shall be received by the health department at least 30 days prior to the effective date of cancellation; otherwise, the policy shall remain in full force and effect. In the event of cancellation of either the surety bond or certificate of insurance, the provider's certificate shall be deemed automatically revoked.

c. Exceptions. Private sector companies, not participating within the city-wide emergency medical service system, need not file the bonds of insurance required herein.

12. REQUIREMENTS. All persons certified under this section shall adhere to the following general conditions and specifications concerning central dispatched service:

a. Meet all ambulance and emergency medical conveyance rules, regulations, and laws of the city and county of Milwaukee, the state of Wisconsin and the United States.

b. Have each ambulance staffed by a minimum of 2 licensed ambulance attendants at all times. The attendants must meet applicable state of Wisconsin licensing requirements, the minimum being EMT I training. One of the 2 licensed ambulance attendants may have a training permit. A person with an ambulance attendant's license shall be in the patient compartment when transporting a patient. The ambulance attendant or a person with a training permit may be replaced by an emergency medical technician advanced (paramedic), registered nurse, physician's assistant or physician.

c. Have driver and attendants with current Wisconsin driver's license, who must be bondable, and pass a physical examination approved by the city.

d. Require the driver and attendants to have a working knowledge of city geography and vehicle equipment.

e. Have at least one attendant with experience as an EMT I for one year or equivalent experience, said experience to be determined by the commissioner of health.

f. Require that the ambulance driver have had previous driving experience with a police, fire, rescue or ambulance company.

g. Utilize only ambulances that are EMT I constructed and equipped according to federal and state regulations as amended, and properly maintained as pertaining to cleanliness.

h. The ambulance shall contain a communication system as prescribed by the city to function within the city-wide emergency medical service system.

i. Require that attendants be attired in clothing suitable for performing emergency medical services.

j. Follow the uniform dispatch protocol as prescribed by the fire department for emergency medical services.

k. All ambulances dispatched by the city shall be subject to routine unannounced inspection by the city.

L. Perform the ambulance services in the most rapid and efficient manner available in accordance with the city of Milwaukee emergency medical services system handbook of operations.

m. In circumstances where the private sector anticipates that the time between its notification that an emergency has occurred and its arrival at the scene of an emergency may be greater than the response time specified in the system handbook of operations, the fire department dispatcher will be notified at the time of call and the call may be referred to other providers.

n. Convey victims of medical emergencies to hospitals approved by the city and which are closest to the scene of the emergency and follow whenever possible the recommendations of the commissioner of health. The final decisions as to where the victim is eventually transported rests with circumstances surrounding the medical emergency.

o. Utilize prescribed ambulance report forms and provide the city with information concerning ambulance operations to effect a monitoring and review system.

p. Follow proper patient care protocol regarding medical care and treatment policies in accordance with the 81-hour U.S. department of transportation, national highway traffic safety administration basic training program for emergency medical technicians.

75-15-13 Miscellaneous Health Provisions

q. Seek reimbursement from those conveyed, and provide the most economical service in accordance with accepted medical practice. The city of Milwaukee will not be responsible for collection or payment of any charge for services rendered by reason of its having dispatched the service relative to this section.

r. Charge an ambulance rate which is approved by the common council. The approval of the ambulance rate may be taken in conjunction with the common council's approval of the ambulance service plan, in accordance with the ambulance rate provisions of sub. 14.

s. Charge fees for equipment and procedures other than the rate established under par. r. Such fees shall be determined by the commissioner of health and approved by the common council. The commissioner shall review the fees on an annual basis, with any necessary adjustments being submitted to the common council for approval in conjunction with approval of the ambulance rate under par. r.

t. Not pursue beyond a reasonable limit compensation for conveyance where a conveyed party has demonstrated an inability to pay the service charge.

u. Provide the city of Milwaukee with a 90 days' written notice directed to the health department before voluntarily terminating participation in the city-wide emergency medical service system.

13. SERVICE AREAS. a. Criteria. In establishing and re-establishing the number and geographical boundaries of the service areas, the common council shall endeavor to provide effective ambulance service within the city-wide emergency medical service system. The common council shall take into consideration all the information obtained through the certification process, the service capacities of each prospective provider and the previous performances, if any, by each such provider

b. Assignment of Service Areas and Support Status. b-1. Service Plan Development. Following common council certification of one or more providers, the board shall develop a proposed service plan to be utilized during the next service period. The plan shall include the number and boundaries of the service areas, and a designation of certified providers for assignment. Prior to or upon

certification, any provider may request in writing to be given support status in lieu of a service area. In addition, if the number of certified providers seeking service areas exceeds the number of service areas within the city-wide emergency medical service system, the board may assign one or more providers as having support status. Each provider designated for service area assignment or support status shall, within 7 days of announcement by the board of its proposed service plan, file a written response of its acceptance or objection to the plan. The board shall thereafter submit the plan to the committee for its review and recommendation to the common council. Upon approval by the common council of any service plan for the next scheduled service period, the plan shall be implemented by the city-wide emergency medical service system for that period, subject to subd. 2.

b-2. Duration. Service plans shall be approved by the common council for 5-year periods, commencing January 1 and ending December 31. Notwithstanding such approval, the board shall have emergency authority to modify determinations and assignments of service areas or the support status of a provider during the pendency of any service period, and the common council may modify any service plan during the pendency of any service period when it appears that any one provider is receiving a disproportionate number of dispatch calls. The ambulance service board shall also review the service plan on an annual basis. If, during the annual review, the board finds that there is a deviation in the number of dispatched calls of 3% or more above or below the norm of a 25% distribution of dispatched calls per provider, the board shall consider making adjustments to the service areas and may modify them if the board deems such necessary. The board shall also provide the common council with the board's reasons for making or not making any changes in the service plan subsequent to the board's annual review.

c. Revocation of Service Area. The board shall revoke the assignment of any service area for any provider no longer certified.

Miscellaneous Health Provisions 75-15-14

14. AMBULANCE RATE. a. The commissioner of health annually shall review and report to the common council by April 1 with respect to the ambulance conveyance rate established under par. c and recommend, if appropriate, an adjustment in the conveyance rate.

b. Upon request, the legislative reference bureau shall provide the commissioner with information from health-related cost indexes, including the medical care component of the Milwaukee consumer price index issued by the U.S. bureau of labor statistics.

c. The rate charged for conveyance shall be as follows:

c-1. For patients who are residents of the city of Milwaukee, for Basic Life Support, \$370 and, for Basic Life Support – Emergency, \$370. In addition, for Advanced Life Support for patients who are residents of the city of Milwaukee conveyed under the terms of the Private Provider Interfacility Unit protocol, \$544. This charge shall in no way be construed so as to circumvent the role of the fire department as the designated responder to Advanced Life Support service calls.

c-2. For patients who are not residents of the city of Milwaukee, for Basic Life Support, \$428 and, for Basic Life Support – Emergency, \$428. In addition, for Advanced Life Support for patients who are not residents of the city of Milwaukee conveyed under the terms of the Private Provider Interfacility Unit protocol, \$544. This charge shall in no way be construed so as to circumvent the role of the fire department as the designated responder to Advanced Life Support service calls.

c-3. In addition to the charges provided in subds. c-1 and 2, a charge of \$9.35 per mile shall be assessed for mileage, mileage to be defined as the distance traveled with the patient in the ambulance from the point of patient origin to destination.

d. In those instances where a certified ambulance provider has a contract with any health maintenance organization with respect to establishment of fees for ambulance services for persons insured through the organization, the fees established in the contract shall take precedence over those in par. c and sub. 15 and the provider shall charge only those fees established in the contract.

75-17 Miscellaneous Health Provisions

16. ADVANCED LIFE SUPPORT ANCILLARY CHARGES. Whenever a certified ambulance provider performs an advanced life support conveyance under the terms of the Private Provider Interfacility Unit protocol, the provider is authorized to charge the following ancillary charges:

- | | | |
|----|-------------------|--------------|
| a. | ALS supplies | \$54.00 |
| b. | Intubations | 49.00 |
| c. | I.V. and supplies | 38.00 |
| d. | Defibrillation | 54.00 |
| e. | EKG | 52.50 |
| f. | Drugs | Drugschedule |

included in the Milwaukee county medical services program adopted by Milwaukee county as amended.

17. CONVEYANCE OF POLICE PRISONERS. Certified ambulance providers under contract with the city for payment for conveyance of police prisoners for medical treatment in situations where a prisoner is unable to pay for conveyance shall be paid a rate equal to 60% of the conveyance rate and mileage charge in sub. 14 and 60% of the services fees charge in sub. 15.

18. VIOLATIONS. a. Suspension and Revocation. The common council may, subsequent to a hearing conducted by the committee, suspend, revoke, deny or not renew a certificate issued under this section for any reasonable cause which shall be in the best interests and good order of the city, including, but not limited to, the following findings:

a-1. Conviction of a violation of this section.

a-2. Where the committee, on hearing of evidence, determines that such person has been violating any of the provisions of this section even though the person may not have been convicted in a court for such violation.

a-3. Conviction of a criminal statute or city ordinance involving moral turpitude.

a-4. Violation of a city ordinance where such violation is connected with or a part of carrying on the business for which the certificate is issued.

a-5. Failure to obtain any permit required under the ordinances of the city or laws of the state of Wisconsin, or employing persons not authorized to do any specific work as required under the ordinances of the city, or the laws of the state of Wisconsin.

a-6. Failure to comply with any of the provisions of the city of Milwaukee emergency medical services system handbook of operations.

b. Hearing. b-1. Whenever the committee has scheduled a hearing for the purpose of determining whether to recommend suspension or revocation of a provider's certificate, the provider shall receive written notice of the hearing not less than 10 days prior to the hearing. The notice shall specify the nature of the complaint against the provider.

b-2. The provider may attend the hearing and be represented by counsel, may present witnesses and confront and cross-examine any adverse witnesses under oath, and may obtain a transcript of the hearing at the provider's own expense.

b-3. At the conclusion of the hearing, the committee shall make its recommendation to the common council. In any case where the recommendation is to suspend or revoke a provider's certificate, each member of the committee voting in favor of such action shall state the basis therefor on the record.

b-4. The provider shall be provided with written notice of any recommendation of the committee. If the recommendation is to suspend or revoke the provider's certificate, the provider may, within 10 days of the notice, appeal the recommendation by filing written notice with the city clerk. If notice of appeal is filed, a copy of the transcript of the hearing shall be provided to each common council member at least 3 days prior to the common council vote on whether to accept or reject the recommendation of the committee.

c. Penalty. Any provider who acts as such without having obtained a certificate to do so, or who violates any other part of this section, shall upon conviction be subject to a forfeiture of not less than \$100 nor more than \$250, and in default of payment, be committed to the county jail or house of correction for a period of time not to exceed 90 days. Each day in which any person shall operate as a provider without having obtained a certificate, or after revocation of the same, shall constitute a separate offense.

75-17. False Communications; Emergency Medical Service Systems. 1. UNLAWFUL. It shall be unlawful for any person within the city to give, or cause to be given, a false

communication, knowing the same to be false, requesting ambulance conveyance for emergency medical assistance as provided for in s. 75-15.

2. PENALTY. Any person guilty of the violation of this section shall, upon conviction thereof, be fined a sum of not more than \$500, and in default of payment of such fine and costs shall be imprisoned in the house of correction of Milwaukee county for not more than 30 days.

75-20. Swimming Pools and Places.

1. DEFINITIONS. In this chapter:

a. "Approved" means in accordance with rules and regulations established by the commissioner.

b. "Beaches and other natural water" means all swimming places created at a naturally occurring body or source of water, the flow of which is not regulated or fully controllable.

d. "Controlled waters" means waters which are used for swimming places, the flow of which can be fully regulated by the operator.

e. "Diving pool" means a swimming pool constructed for the sole purpose of diving.

f. "Facility" means any structure, fence, equipment or area used in conjunction with the operation or maintenance of a swimming place.

g. "Noncontrolled waters" means all waters not classified as controlled waters.

h. "Person" means any person, firm, partnership, association, corporation, company, governmental agency, club or organization of any kind.

i. "Swimming place" means those portions of bodies of water used, in whole or in part, for swimming, wading, or recreational bathing or used together with shores, adjacent areas, buildings, equipment and appurtenances pertaining to such places, and which are either:

i-1. "Private" which means any swimming place maintained for the exclusive use of occupants of not more than 3 individual residential quarters such as homes or apartments and their occasional guests; or

i-2. "Public" which means all swimming places other than private installations, including municipal, county, association, club, camp, school, motel, apartment building and all similar installations.

j. "Swimming pool" means any artificial structure which is capable of being

filled with water from a fully controlled external source to a water depth of more than 36 inches which is designed and intended to be used for swimming, whether installed or erected above or below ground elevation, and whether temporary or permanent, regardless of the methods or materials employed in the construction, erection or installation, and which is either an:

j-1. "Indoor pool" which is completely enclosed, or equipped with provisions to be enclosed during inclement weather, in such a manner that heating of the area could be controlled; or

j-2. "Outdoor pool" which is all swimming pools not classified as indoor pools.

k. "Special purpose pool" means a pool used for purposes such as diving and underwater photography training, medically administered therapy, special exercise programs, or other special uses by the public or for use by physically or mentally handicapped persons.

L. "Wading pool" means any artificial structure which is filled with water from a fully controlled external source to a maximum water depth of no more than 36 inches intended to be used for wading.

m. "Water slide" means any recreational swimming place consisting of a flume to convey individuals from an elevated point down to a receiving pool basin or raceway which uses water to help convey the person down the flume and receive the person at the lower end and includes all of the required accessory facilities. This term does not include any swimming place where users are conveyed in sleds, boats or other such vehicles which the user enters and leaves from a dry landing and from which the individual cannot fall out and which protects the individual from getting so wet that a change of clothes is required.

n. "Wave pool" means any variation of a swimming pool which is constructed for the purpose of creating waves to accommodate surfing.

o. "Whirlpool" means a unit designed for recreational or therapeutic use which is not drained, cleaned or refilled for each user and which may include hydrojet circulation, cold water mineral baths, air induction bubbles, or some combination thereof, as in hydrotherapy pools or hot tubs.

75-20.1 Miscellaneous Health Provisions

2. **AUTHORITY.** Authority for the control of swimming places is vested in the commissioner. The commissioner is authorized to examine public and private swimming places during all periods of operation. Swimming places shall include natural, artificial, prefabricated, permanent, or movable swimming places and their facilities.

3. **RULES AND REGULATIONS.** The commissioner is authorized and empowered to make and adopt written rules and regulations necessary for the proper enforcement of this section and to assure the health and safety of the public, provided, however, that such rules shall be first submitted to the common council for approval before the same shall be effective. Such rules and regulations after approval by the common council shall have the same force and effect as if specifically set forth in this section 30 days after the same have been promulgated by the commissioner. A copy of all such rules and regulations shall be kept on file in the office of the commissioner, in the office of the city clerk, and in the legislative reference bureau. Copies shall be made available without charge by the commissioner to any person, firm or corporation requesting the same.

4. **POSTING OF NOTICES TO BUYERS REQUIRED.** Stores or businesses selling certain private pools to be constructed within the city either above or below ground, shall have posted on the premises in a prominent and conspicuous manner in the vicinity of the swimming pool display, a placard stating as follows: "IMPORTANT NOTICE TO POTENTIAL PRIVATE SWIMMING POOL BUYERS: The city of Milwaukee has limitations and regulations, including the requirement of an installation permit, for private swimming pool construction. These regulations apply to all pools installed in the ground and to all pools installed above the ground which have a potential depth of 36 inches or a potential volume of 3,965 gallons. To determine the limitations concerning such pools and to obtain a permit, prior to installation, contact the Milwaukee health department."

75-20.1. Permit Required. No person shall construct, install, enlarge, establish, maintain or make any major alteration on any public swimming place without a written permit issued by the commissioner; nor shall any person construct or cause to be constructed, installed,

enlarged, or established, nor shall they maintain or possess in a useable condition any permanent private swimming place, whether above or below ground, without a written permit issued by the commissioner.

1. **APPLICATION.** a. Any person wishing to obtain a permit under this section shall file an application in the office of the commissioner on application forms provided by the commissioner. The application shall be accompanied by one set of plans and specifications which will be retained by the commissioner and the plan examination fee required in s. 60-83. The plans and specifications shall be prepared by a registered architect or engineer. The names and addresses of the owner and of the architect or engineer and the location of the swimming place shall be filed with the office of the commissioner. Plans shall be drawn to a scale and accompanied by sufficiently detailed specifications so as to permit a comprehensive engineering review including the piping and hydraulic details and shall include:

a-1. Plan and sectional views with all necessary dimensions of the pool, servicing facilities and surrounding area.

a-2. A piping diagram showing all appurtenances including chemical treatment facilities in sufficient detail as well as pertinent elevation data to permit a full analysis of the system.

a-3. An electrical layout diagram for the entire installation, if applicable.

a-4. Specifications which shall contain details on all treatment equipment including catalogue identification of pumps, chlorinators, chemical feeders, filters, strainers and all related equipment, chemical feeders, filters, strainers and all related equipment.

a-5. Operating data which shall include flow rates, heads, metering valves and their locations, flow diagram, locations of flow meters, pressure gauges, thermometers, test cocks and sight glasses, along with the system for disposal of pool water and backwash drainage.

a-6. Such other items as may be required by the commissioner to properly evaluate the swimming place within the purposes of this chapter.

b. All permits for swimming places of permanent construction shall be first approved by the commissioner of neighborhood services for structural safety in accordance with the requirements of the code.

3. REVOCATION. The issuance of such a permit shall not prevent the commissioner from thereafter revoking any permit when issued in error.

4. CHANGES APPROVED. Upon issuance of the permit, construction shall be undertaken subject to the conditions of the permit and in accordance with the plans as approved. No change or modification of any item governed by any section of this chapter, or the rules and regulations adopted pursuant thereto, shall be made without express written approval first had and obtained.

5. PERMIT LAPSE. Except as regulated herein, if any construction for which a permit has been issued is not started within 6 months from the date of the issuance of the permit, or if construction ceases for more than 6 months, then said permit shall lapse and be void and no construction shall be begun or resumed until a new permit is obtained and the fees as prescribed in this code paid therefor.

6. PUBLIC POOLS. No public swimming place shall be permitted to operate until approved by the commissioner in accordance with the requirements of the chapter and the rules and regulations adopted pursuant thereto.

7. EXISTING POOLS. All pre-existing permanently constructed swimming pools whether public or private shall be registered with the commissioner within 6 months of the effective date of this ordinance **[ordinance refers to the creation of ss. 75-20, 20.1, 20.2, 20.3, 20.4, 20.5, and 20.9 on July 29, 1966]** and shall comply with all pertinent sections hereof and the rules and regulations adopted pursuant hereto.

75-20.2. License. 1. LICENSE REQUIRED.

a. Required. No public swimming place shall be used until a valid license to operate has been obtained from the commissioner. Such license shall be issued annually by the commissioner after an inspection reveals that the swimming place is in full compliance with this chapter and the rules and regulations adopted pursuant thereto.

b. License Displayed. Such license shall be publicly displayed in the pool area. Such license may contain whatever limitations are deemed necessary by the commissioner for the protection of the public.

2. REVOCATION. a. Noncompliance. The commissioner shall have the authority to

suspend the operating license issued to any person upon evidence of the failure of said person to operate or maintain the swimming place in conformity with this chapter and the rules and regulations adopted pursuant thereto. No license shall be suspended by the commissioner until written notice has first been given to the licensee advising him of the violations of these provisions and rules and regulations adopted pursuant thereto and allowing him a reasonable period of time to correct such conditions. When in the opinion of the commissioner such failure to operate or maintain the swimming place in conformity with this chapter and the rules and regulations adopted pursuant thereto has resulted in a serious and immediate hazard to the health or safety of any person, the commissioner shall have the right summarily to suspend the operating license. Upon suspension of this license, the swimming place shall remain closed until such time as compliance has been obtained and the license reinstated.

b. Hearings. The commissioner may revoke any license for failure to comply with the regulations referred to in this chapter or when the license has been obtained through nondisclosure, misrepresentation or misstatement of a material fact. Before a license is revoked, the person to whom the license has been issued shall receive notice in writing from the commissioner enumerating instances of failure to comply with the regulations. Any person affected by any notice which has been issued in connection with the enforcement of any provision of this chapter or any rule or regulation adopted pursuant thereto may request and shall be granted a hearing on the matter before the commissioner, provided that such person shall file in the office of the commissioner a written petition requesting such hearing and setting forth a statement of the grounds therefor within 20 days after the day the notice was served. Within 10 days of receipt of such petitions, the commissioner shall set a time and place for such hearing and shall give the petitioner written notice thereof. At such hearing, the petitioner shall be given an opportunity to be heard and to show cause why such notice should be modified or withdrawn. The hearing before the commissioner shall be commenced not later than 30 days after the date on which the petition was filed, provided that upon written application of the petitioner to

75-20.3 Miscellaneous Health Provisions

the commissioner he may postpone the date of the hearing for a reasonable time beyond such 30 day period if in his judgment the petitioner has submitted a good and sufficient reason for such postponement. The commissioner shall have the power to administer oaths and affirmations in connection with the conduct of any hearing held in accordance with this section.

75-20.3. Fees; Swimming Pools and Places. See ss. 60-81 and 60-83 for the required fees for swimming place plan examination, permit transfers and yearly operating licenses.

75-20.4. Permit Transfer Limited. No permit or license for a public swimming place which has been issued under this chapter shall be transferable, unless it can be shown that conditions, equipment and operations will be unaffected by the transfer and accordingly first approved by the commissioner. Every owner or operator of a public swimming place shall notify the commissioner in writing within 24 hours after having relinquished ownership or having sold, transferred, given away, or otherwise disposed of such interest or control of any public swimming place. There shall be a fee for the transfer of a permit within the license year as set forth in s. 60-81.

75-20.5. Nuisances. Nothing in this chapter shall be construed or interpreted to in any way impair or limit the authority of the city to define and declare nuisances or of the commissioner to cause the removal or abatement of nuisances by summary proceedings or other appropriate proceedings.

75-20.6. Flooding: Pool Drainage. Any person who has on his premises a portable swimming pool when draining the water from such pool shall take such steps as are necessary so as to prevent water drainage from such pool flooding land adjacent to the land upon which such portable swimming pool is located. If such water shall be so drained as to cause flooding on the land adjacent to the land upon which such portable swimming pool is located, it shall be deemed a nuisance and a violation of this section and shall be subject to the same penalties hereof as provided in s. 75-20.9.

75-20.8. Competitive Codes. The provisions of this section [refers to ss. 75-20 to 75-20.6] shall not abrogate the responsibility of any person to comply with any provision of the Wisconsin state codes or other applicable city code. Where there is a conflict in these codes, the most stringent regulation shall apply.

75-20.9. Penalties. Any person who violates ss. 75-20 to 75-20.6 or any rule or order of the commissioner issued under these sections shall upon conviction be subject to the penalties specified in s. 61-11.

75-21. Massage Establishment Regulation.

1. DEFINITIONS. In this section:

a. "Commissioner" means the commissioner of health or an authorized representative.

b. "Massage" means the manipulation of the soft tissue of the body for therapeutic purposes and may include but is not limited to effleurage, petrissage, tapotement, compression, vibration, friction, stroking or kneading, either by hand or with mechanical or electrical apparatus, for the purpose of body massage. This may include the use of oil, salt glows, hot and cold packs and other recognized forms of massage therapy. The term does not include diagnosis or any service or procedure for which a license to practice medicine is required by law.

c. "Massage establishment" means a place where the primary or secondary function is to offer massage.

2. MESSAGE ESTABLISHMENT.

a. License Required. No person may carry on the business of operating a massage establishment without a valid license issued under this section for each place of business.

b. Content of Application. Any person desiring a license shall file a written application with the health department on a form provided by the department. The fee required in s. 60-58 shall accompany the application to defray the costs of administration and investigation. If the applicant is a corporation, the name of the corporation shall be set forth exactly as in its articles of incorporation, together with the names and addresses of each of its officers, directors and stockholders, and the application shall be

verified by an officer of the corporation. If the applicant is a partnership, the application shall set forth the name and residence address of each of the partners, including limited partners, and the application shall be verified by each partner. If one or more of the partners is a corporation, the provisions of this section pertaining to a corporate applicant shall apply to the corporate partner. If the applicant is neither a corporation nor a partnership, the application shall set forth the full name and address of the applicant and be verified by the applicant. The application shall set forth the proposed place of business and the facilities therefor, together with a detailed description of the nature and scope of the proposed business operation. In addition, the following information shall be furnished concerning the applicant if an individual, and concerning each individual stockholder, officer and director if the applicant is a corporation, and concerning each partner, including limited partners, if the applicant is a partnership:

b-1. The previous address, if any, for a period of 3 years immediately prior to the date of application and the dates for such address.

b-2. The date of birth.

b-3. Three one-inch by one-inch photograph taken within 6 months of the date of the application.

b-4. The business, occupation or employment history for 3 years immediately preceding the date of application, including, but not limited to, whether the person has previously operated under a permit or license in another city in this or another state or had such license suspended or revoked.

b-5. All convictions, including ordinance violations, exclusive of traffic violations, with a brief statement of the nature of the convictions and the jurisdiction in which the convictions occurred, subject to s. 111.335, Wis. Stats.

c. Investigation. Applications for licenses under this section shall be referred to the chief of police and commissioner of neighborhood services, who shall cause an investigation to be made and report their findings to the commissioner of health. Applicants shall cooperate with any investigation conducted under this section and permit access to the proposed place of business and facilities in conjunction with any investigation.

d. Granting of Licenses. Within 60 days of the receipt of an application, the commissioner shall either grant or deny a

massage establishment license. The commissioner shall grant an establishment license if the commissioner finds that:

d-1. The required fee has been paid.

d-2. The application conforms in all respects to the provisions of this section.

d-3. The applicant has not knowingly made a material misstatement in the application.

d-4. The applicant has fully cooperated in the investigation of the application.

d-5. The massage establishment as proposed by the applicant would comply with all applicable laws, including but not limited to the city's building, zoning and health regulations.

d-6. The applicant, if an individual, or any of the stockholders, officers or directors, if the applicant is a corporation, or any of the partners, including limited partners, if the applicant is a partnership, has not been convicted of any crime within 5 years prior to the date of the application, or is not subject to a pending criminal charge, subject to s. 111.335, Wis. Stats.

d-7. The applicant has not had a massage establishment license or other similar license or permit revoked for cause, with written explanation, in this or any other state within the 5 years prior to the date of application.

d-8. The applicant, if an individual, or any of the officers and directors, if the applicant is a corporation, or any of the partners, including limited partners, if the applicant is a partnership, is at least 18 years of age.

d-9. The applicant, if a corporation, is licensed to do business and in good standing in the state of Wisconsin.

d-10. The massage establishment as proposed by the applicant would comply with the requirements of this section.

3. INSURANCE. No person may carry on the business of operating a massage establishment at any place within the city without a premise and professional liability insurance.

4. MESSAGE ESTABLISHMENT FACILITIES. Every massage establishment shall maintain facilities meeting the following requirements:

a. Every massage establishment shall have a minimum of one washbasin.

75-21-5 Miscellaneous Health Provisions

b. The massage room shall have a minimum of 40 foot-candles of lighting for the purpose of observing possible contra-indications of massage.

c. Massage tables shall have a surface which is impervious to liquids and shall be furnished with linen, either disposable or washable, which are changed for each client.

d. Doors to rooms where massage is administered shall be unlocked during business hours.

e. For the purpose of ascertaining compliance with this section and conducting routine inspections, police officers, health inspectors and building inspectors shall have the right of entry onto the premises of any massage establishment during business hours.

5. SALE OR TRANSFER. Upon the sale or transfer of any interest in a massage establishment, the license shall be void. Any person desiring to continue to operate a massage establishment following sale or transfer shall apply under this section.

6. MESSAGE ESTABLISHMENT OPERATION. Massage establishments shall comply with the following operation requirements:

a. Massage establishments may not commence operations before 6 a.m. and the hours of operation may not extend later than 10 p.m. These hours shall pertain to on-site massages.

b. Massage establishments shall prominently and publicly display their licenses on the premises during all business hours.

c. Massage establishments shall at all times be equipped with an adequate supply of clean sanitary towels, coverings and linens and proper storage areas for such linens. Soiled linens and paper towels shall be deposited in receptacles.

d. Massage shall not be given unless a client's genitals are fully covered by linens or towels at all times. Female clients shall also have their breasts covered at all times.

7. PROHIBITED PRACTICES. No operator of a massage establishment may allow massages of the genital area of any patron or the breasts of any female patron.

8. SUSPENSION AND REVOCATION.

a. Licenses may be suspended or revoked for cause and failure to comply with the requirements of this section.

b. No license may be suspended or revoked until after due notice and hearing before the commissioner to determine if grounds for revocation exist. Notice of the hearing shall be in writing and served at least 10 days prior to the date of hearing by personally serving the person in charge of the massage establishment and by posting upon the entrance to the massage establishment. The notice shall state the grounds of the complaint against the licensee and shall designate the time and place where the hearing will be held.

c. Any massage establishment license may be suspended for not more than 90 days or revoked by the commissioner for any violation of this section.

d. Written notice of revocation or suspension, together with the reasons therefor shall be given by the commissioner to the licensee at the massage establishment. The licensee may appeal the decision of the commissioner under s. 320-11.

9. EXEMPTIONS. This section does not apply to:

a. Physicians, surgeons, chiropractors, osteopaths or physical therapists licensed or registered to practice their respective professions under the laws of the state of Wisconsin.

b. Barbers and cosmetologists licensed under the laws of the state of Wisconsin provided that such massage practiced is limited to the head and scalp.

c. Accredited high schools and colleges and coaches and trainers therein while acting within the scope of their employment.

d. Trainers of any amateur, semi-professional athlete or athletic team.

e. Organizations formed exclusively for the purpose of ballet performance and instruction which have received tax exempt status from the United States internal revenue service, upon the presentation of documentation of such status to the health department.

10. PENALTY. a. Any person violating this section shall be subject to a forfeiture specified under s. 61-15.

b. Citations may be issued for all violations of this section with or without prior notice. The stipulation, forfeiture and court procedure set forth in s. 50-25 shall apply.

75-25. State Food Protection Practices Certificate Required for Food Service Operations. 1. DEFINITIONS. In this section:

- a. "Certificate holder" means a person who holds a valid, current certificate of food protection practices issued by the Wisconsin department of health and social services under s. 254.71, Wis. Stats.
- b. "Food handler" means a person engaged in the preparation, processing or service of food.
- c. "Food protection practices certificate" means a current, valid certificate of food protection practices issued by the Wisconsin department of health and social services under s. 254.71, Wis. Stats.
- d. "Food service operation" means a regular restaurant, as that term is defined under ch. HSS 196, Wis. Adm. Code, or a retail food establishment, as that term is defined under s. 97.30, Wis. Stats., except that the term does not include a retail food establishment that processes non-potentially hazardous food or sells prepackaged potentially hazardous food obtained from an approved source.
- e. "Potentially hazardous food" has the meaning given to that term under ATCP 75.01 and ch. HSS 196 of the Wis. Adm. Code.
- f. "Ready-to-eat food" means restaurant-style food that is offered or prepared for sale and is ready for consumption, regardless of whether consumption is on the premises where the food is sold.
- g. "Serious food-handling sanitation violation" means a violation that is the basis of a citation by the department and that involves a potentially hazardous food temperature violation, a food or equipment cross-contamination violation, a poor hygienic practice by a food handler violation or a confirmed case of food-borne illness.

2. CERTIFICATE HOLDER REQUIREMENT. a. Each person who is licensed to operate a food service operation shall employ, or shall personally be, a person who is a certificate holder.

b. Whenever potentially hazardous food is being processed at a retail food establishment or being prepared or served at a regular restaurant, the person who is licensed to operate the food service operation shall have a certificate holder on the premises, unless the food service operation is exempted from this requirement under sub. 3.

c. Whenever a certificate holder is complying with the certificate holder requirement of this subsection, the certificate holder shall have in his or her possession a photo identification that verifies his or her identity.

d. The food protection practices certificate of a certificate holder shall be either posted on the premises of the food service operation or readily accessible to the commissioner upon request.

3. EXEMPTIONS. a. The requirement of sub. 2-b does not apply to a food service operation whenever the food service operation meets all of the following conditions:

a-1. The food service operation has no more than 5 food handlers working.

a-2. The food service operation has not had a serious food-handling sanitation violation at 2 consecutive inspections on or after January 1, 1996.

a-3. The food service operation has at least one operator or manager who is a certificate holder.

b. The requirement of sub. 2-b does not require a food service operation that includes one or more push carts to have a certificate holder at each push cart, if the food service operation:

b-1. Has an owner, operator or manager who is a certificate holder who is held accountable for training each cart operator in food sanitation practices before operating a cart and who routinely monitors each cart during all periods of food service.

b-2. Consists of one or more push carts that operate only during the summer season.

b-3. Limits food preparation to hot dogs or similar precooked heated food items.

c. These exemptions do not apply to any certificate holder requirement set forth by s. 254.71, Wis. Stats., or by any regulation implementing the terms of that statute.

4. TEMPORARY WAIVERS.

a. Whenever the commissioner finds that a food service operation does not meet the certificate holder requirements of subs. 2-a, 2-b or 3-a-3, the commissioner may:

a-1. Temporarily waive those requirements for up to a maximum of 6 months if the commissioner finds that a person is not a certificate holder because of the person's difficulty with the English language or other disability as determined by the commissioner.

75-30 Miscellaneous Health Provisions

a-2. Temporarily waive those requirements for up to a maximum of 6 months if the commissioner finds that a food service operation does not have a certificate holder because the food service operation has been sold or because a certificate holder has ceased employment with that food service operation.

a-3. Temporarily waive those requirements on a case-by-case basis when the commissioner determines that the violations were due to sickness, emergency or other good cause.

b. The commissioner may not waive a certificate holder requirement included within the terms of subs. 2-a, 2-b or 3-a-3 that is also required either under s. 254.71, Wis. Stats., or under any regulation implementing that statute.

5. PENALTIES. a. Any person that violates or fails to comply with this section shall be subject to a penalty under s. 61-15.

b. Non-compliance with this section may be cause for the commissioner or the department to not renew a license or permit, deny a license or permit, suspend a license or permit or revoke a license or permit. The commissioner or department may take such action concerning a license or permit regardless of whether a penalty for non-compliance has been imposed under par. a.

75-30. Reinspection. 1. Any responsible party who receives notification of the assessment of reinspection fees shall remit the fees to the department within 15 days of mailing or service of the notification of charges. Failure to remit in full within this time period may subject the responsible party to an action to collect the sum in a civil action. An alternative to the commencement of a civil action collection may be enforced as follows:

a. Where the responsible party is operating under a license or permit issued by the department and the reinspection fee is assessed, failure to pay the reinspection fee as required is declared just cause for the commissioner to suspend such license or permit following notification to the responsible party.

b. No license or permit shall be issued or renewed by the department for any operation which has an outstanding unpaid reinspection fee.

2. Any responsible party who receives notification of the assessment of reinspection fees may appeal such assessments as to appropriateness or amount by the following procedure:

a. Within 10 days of mailing or service of the notification of the reinspection assessment, the responsible party shall notify the commissioner in writing that he or she is appealing the assessment and setting forth the reasons for appeal.

b. The commissioner shall within 7 days of receipt of the appeal notify the responsible party by mail of the date and time of a hearing to consider the appeal.

c. The commissioner shall consider the testimony of the responsible party and that of the department's representatives responsible for the issuance of the order, the report of the reinspection and subsequent reinspection assessment fees. The commissioner may affirm, modify or cancel the charges as may be proper in the circumstances. The action taken shall be reduced to writing and mailed to the responsible party within 10 days. Such notification shall inform the responsible party that if the party is not satisfied with the decision, he or she may appeal pursuant to the procedure set forth in s. 320-11.

75-40. Environmental Health Board.

1. ESTABLISHMENT. An environmental health board is established consisting of 3 members appointed by the health commissioner. At least 2 members shall be professional environmental health personnel. Elected officials and city employees who serve on the board shall not receive remuneration.

2. DUTIES. a. The environmental health board shall serve as an appeal board with respect to the nonrenewal, suspension or revocation of permits and licenses issued under chs. 66 and 75 except for those under ss. 75-15 and 75-51 and under ss. 76-20, 84-45 and 84-48, and with respect to the denial or granting with conditions of permits applied for under s. 66-12-5.

b. The environmental health board shall serve as an appeal board for appeals of an order or other action of the health department or the health commissioner pursuant to s. 66-22-13.

3. FUNCTION. Each board member serves as an officer of the city exercising a quasi-judicial function within the scope of s. 893.80, Wis. Stats.

75-51. Tattooing and Body-Piercing.

1. COMMON COUNCIL FINDINGS. The common council finds that:

a. It is important to the health, safety and welfare of all residents of Milwaukee to promote safe and adequate care and treatment for individuals who receive tattoos or body piercing.

b. Tattooing and body piercing can expose individuals to communicable disease or infection unless great care is taken to ensure the cleanliness of the instruments and techniques used.

c. Some tattooing and body-piercing activities may be performed in such a dangerous and unsafe manner that protection of public health and safety requires the city to immediately abate the danger and suspend the activities without notice.

2. DEFINITIONS. In this section:

a. "Body piercer" means a person who performs body piercing on another.

b. "Body piercing" means perforating any human body part or human tissue, except an ear, and placing a foreign object in the perforation in order to prevent the perforation from closing.

c. "Dentist" means an individual licensed under s. 447.03(1), Wis. Stats.

d. "Department" means the health department.

e. "Physician" means an individual licensed to practice medicine and surgery under s. 448.03(1), Wis. Stats.

f. "Tattoo" has the meaning given in s. 948.70(1)(b), Wis. Stats.

g. "Tattooist" means a person who tattoos another.

3. STATE STATUTES AND ADMINISTRATIVE CODE ADOPTED. The city of Milwaukee adopts ch. HFS 173, Wis. Adm. Code, as amended, as part of this code. The city of Milwaukee adopts ss. 252.23, 252.24, 252.245 and 948.70, Wis. Stats., as part of this code.

4. DEPARTMENT AS AGENT OF STATE. The department is authorized to act as an agent of the Wisconsin department of health and family services, as authorized under ss. 252.23, 252.24 and 252.245, Wis. Stats., and ch. HFS 173, Wis. Admin. Code. The department is authorized, as agent of the state, to enforce the tattooing and body-piercing regulations of ss. 252.23, 252.24, 252.245 and 948.70, Wis. Stats., and ch. HFS 173, Wis. Adm. Code.

5. LICENSE REQUIRED. a. Except as provided in par. b, no person may tattoo or attempt to tattoo another, designate or represent himself or herself as a tattooist or use or assume the title "tattooist" and no tattoo establishment may be operated unless the person and the establishment are licensed under this section. No person may pierce the body of or attempt to pierce the body of another, designate or represent himself or herself as a body piercer or use or assume the title "body piercer" and no body-piercing establishment may be operated unless the person and the establishment is licensed under this section or applicable Wisconsin statute.

b. The licensure requirement of par. a does not apply to a dentist or to a physician who, in the course of the dentist's or physician's professional practice, tattoos or offers to tattoo an individual or who pierces the body of or offers to pierce the body of an individual.

6. LICENSING APPLICATION. A person seeking a license under this section shall apply to the department on a form prepared and furnished by the department, and shall comply with the requirements established under Wisconsin statutes, the Wisconsin administrative code and this section for that license.

7. FEE. Each license applicant shall pay the appropriate license fee or fees provided in ch. 60.

8. NOTICE AND INVESTIGATION OF APPLICATION. a. Upon receipt of an application for a new or renewal license, the department shall furnish notice of the application to the chief of police and the commissioner of neighborhood services.

b. The chief of police and the commissioner of neighborhood services shall cause an investigation to be made and report the findings to the department.

9. GRANTING OR DENIAL OF LICENSE APPLICATION. a. The department shall review each license application and the reports of the chief of police and the commissioner of neighborhood services to determine whether to grant or deny the application.

b. The department may deny an application for a new or renewal license for any of the following reasons:

b-1. The applicant is not of good character.

75-51-10 Miscellaneous Health Provisions

b-2. The applicant has not complied with the requirements of this section.

b-3. The applicant has been convicted of a violation of statutory or Wisconsin administrative code provisions that is substantially related to the circumstances of the licensed activity.

b-4. The applicant has been convicted of a violation of this section.

b-5. The applicant's previous license as a tattooist or body piercer or for a tattoo establishment or body-piercing establishment has been revoked or not renewed for any reason whatsoever.

b-6. The applicant has been successfully sued for activities that are substantially related to the circumstances of the licensed activity, regardless of whether an appeal is pending or the time for an appeal has run.

b-7. The applicant's failure in the past or refusal in the future to act in accordance with this section, with an order issued under this section or with statutory or Wisconsin administrative code provisions that are substantially related to the circumstances of the licensed activity.

c. Whenever the department denies an application, the department shall either personally serve the applicant with written notice of the denial or mail the notice by certified mail, return receipt requested. Mailed notice shall be sent to the address on the application or a more recent address furnished in writing by the applicant to the department, which shall constitute service on the applicant or the applicant's agent. The notice shall state all of the following:

c-1. The specific reasons for the denial of the application.

c-2. That the applicant may file a written appeal of the denial with the environmental health board.

c-3. That an appeal shall be delivered to the environmental health board no later than 10 working days after the date on which the notice of denial is mailed.

c-4. The location where the appeal shall be filed.

10. RENEWAL OF LICENSE. A licensee may renew a license as provided in this section.

11. REVOCATION OR SUSPENSION OF LICENSE. a. The department may revoke a license or suspend a license for a period not to exceed 90 days for any of the following reasons:

a-1. Conviction of a violation of this section.

a-2. A finding by the department that the licensee has violated this section but has not been convicted of the violation.

a-3. Conviction of violation of a criminal statute, the circumstances of which are substantially related to the circumstances of the licensed activity.

a-4. Violation of an ordinance, statute or provision of the Wisconsin administrative code where such violation is substantially related to the circumstances of the licensed activity.

a-5. Loss of a civil suit in which the licensee was the defendant and the activities on which the case was based are substantially related to the circumstances of the licensed activity, regardless of whether an appeal is pending or the time for an appeal has run.

a-6. Failure to obtain a license required under this section or employing an unlicensed person who is required to be licensed under this section.

a-7. A finding by the department that the applicant knowingly made a material misrepresentation connected with his or her application for a license.

a-8. A finding by the department that the licensee has willfully refused to comply with an order issued by the department under this section.

b. Whenever the department determines that a license is subject to suspension or revocation under this subsection, the department shall either personally serve the licensee with written notice of intent to suspend or revoke or mail the notice by certified mail, return receipt requested. Mailed notice shall be sent to the address on the application or a more recent address furnished in writing by the applicant to the department, which shall constitute service on the licensee or the licensee's agent. The notice shall state all of the following:

b-1. Whether the license will be suspended or revoked and, if suspended, the duration of the suspension.

b-2. The date on which the suspension or revocation shall begin, which shall be not less than 20 working days after the date on which the notice of intent is mailed.

b-3. The specific reasons for the suspension or revocation.

b-4. That the licensee may file a written appeal of the suspension or revocation with the environmental health board.

b-5. That an appeal shall be delivered to the environmental health board no later than 10 working days after the date on which the notice of intent to suspend or revoke is mailed.

b-6. The location where the appeal shall be filed.

c. Whenever a licensee appeals a suspension or revocation under this subsection, the suspension or revocation shall not begin until after the environmental health board has held a hearing and upheld the suspension or revocation, in whole or in part.

12. EMERGENCY SUSPENSION. a. Whenever the department finds that the activities of a licensee constitute an immediate danger to public health, the department may immediately act to abate that danger and may immediately suspend without notice a license issued under this section. Activities that constitute an immediate danger to public health include, but are not limited to, use of unsterile needles or instruments, lack of properly operating sterilization equipment on the premises or infections that the department has attributed to the activities of the licensee.

b. b-1. An emergency suspension shall be for no longer than 14 calendar days. The department may, before expiration of an emergency suspension, determine that the immediate danger to public health continues to exist, and that the temporary order shall remain in effect after the expiration date of the original emergency suspension until a hearing has been concluded and the environmental health board has made a decision on the matter.

b-2. The department may inform the licensee in writing, at the time the suspension is imposed or at any later time prior to the expiration of the emergency suspension, that the suspension may be continued after the expiration date if the department determines that the immediate danger to public health continues to exist.

c. Whenever an emergency suspension is imposed, the department shall at the same time provide written notice to the licensee that the environmental health board shall hold a hearing on the suspension. The notice shall specify either the date of the hearing or a telephone number and address where this

information can be obtained. The notice shall state that a written notice of hearing shall be mailed to the licensee.

d. The board, by certified mail, return receipt requested, shall mail a written notice of hearing to a licensee whose license has been suspended under this subsection. The notice shall be mailed to the address on the application or a more recent address furnished in writing by the licensee to the department, which shall constitute service on the licensee or the licensee's agent. The notice shall be sent to the applicant so that the applicant has at least 4 calendar days' notice of the hearing. The notice shall specify the date, time and location of the hearing. The notice shall state that the licensee shall be given an opportunity to respond to and challenge any reason for suspension, to present witnesses under oath and to confront and cross-examine opposing witnesses under oath. The notice shall state that the licensee may be represented by an attorney of the licensee's choice at the licensee's expense, if the licensee so wishes.

e. The board shall hold a hearing on the suspension not more than 14 calendar days after the imposition of the suspension. After the hearing, the board shall determine whether the suspension shall be discontinued or continued. The hearing shall be a due process hearing under sub. 14.

f. The hearing under par. e need not be held if the licensee and the department mutually agree that no purpose would be served by a hearing.

13. APPEAL. Any person aggrieved by the action of the department in denying an application for a new or renewal license or in providing notice of intent to suspend or revoke a license may appeal in writing to the environmental health board no later than 10 working days after receipt of the notice of the action being appealed. The appeal shall specify the reasons that the appeal is being made. After receiving an appeal under this subsection, the environmental health board shall set a time and place for hearing the appeal. The notice shall be sent to the appellant so that the person has at least 4 calendar days' notice of the hearing. After the hearing, the environmental health board may sustain, modify or reverse the decision of the department.

75-51-14 Miscellaneous Health Provisions

14. DUE PROCESS HEARING. a. At the hearing, the board chairperson shall open the meeting by stating that a notice was sent and shall make the notice part of the record. The chairperson shall advise the appellant that the appellant has an option to proceed with a due process hearing, represented by counsel, with all testimony both direct and cross-examination under oath, or that the appellant may simply make a statement to the board.

b. A due process hearing shall be conducted in the following manner:

b-1. All witnesses shall be sworn in.

b-2. The chairperson shall ask the department to proceed first.

b-3. The appellant shall be permitted an opportunity to cross-examine.

b-4. After the conclusion of the department's testimony, the appellant shall be permitted to present the appellant's own witnesses, subject to cross-examination.

b-5. Board members may ask questions of witnesses.

b-6. Both the department and the appellant shall be permitted brief summary statements.

c. The decision of the board regarding the appellant shall be based only on evidence presented at the hearing. Probative evidence concerning whether or not the appeal should be upheld may be presented on the factors enumerated in sub. 9-b or 11-a, whichever is applicable.

d. The board may decide whether the department's decision shall be upheld, modified or reversed immediately following the hearing or at a later date. Written notice of the board's decision, including the specific reasons for the decision, shall be mailed to the appellant. The notice shall be mailed to the address on the application or a more recent address furnished in writing by the appellant to the department.

1 5 .

ENFORCEMENT. a. The department is authorized to enforce this section by issuance of orders and citations. A citation may be issued for a violation of this section without prior issuance of an order for that violation.

b. The police department is authorized to enforce this section by issuance of citations.

16. PENALTIES. a. Except as otherwise provided in par. b, a person who violates this section or fails to comply with an order issued under this section is subject to a forfeiture not to exceed \$500 for each violation or failure to comply.

b. Any person who tattoos or offers to tattoo a person under 18 years of age is subject to a forfeiture not to exceed \$200.
